Testimonials

GROWER RECOMMENDED

We have multiple Line Boss Applicators at each of our production facilities and **would highly recommend them to any other growers that are considering moving to an adhesive label type tagging system.**

Nate Barker, Olson's Greenhouse
Salem, Utah

EASY TO USE

Working with the Line Boss is super user friendly. **Once you set up a pot correctly you will never have to worry about it again.**

Ryan Bartolotta, Cromwell Growers
Cromwell, CT

FAST

The Line Boss will label **as fast as you can put trays on.**

Don Marvaso, Marvaso Greenhouses Inc.
Romulus, Michigan.

**IT'S TIME TO RE-THINK
YOUR LABELING SYSTEM
FROM THE GROUND UP.**

- MT1000 Series 12" Wide x 10' Long
